GUYTON REINFORCING / MAINLAND REINFORCING PROJECT TEAM

## Joan Murphy

Administration Manager

Joan brings with her a strong accounting background and a wealth of experience garnered over numerous years in the construction and reinforcing steel industry.

Her unwavering commitment to diligence and organisation streamlines processes for Project Managers, Quantity Surveyors, H&S Coordinators, and the on-site workforce alike. Joan is known for her approachable demeanour and pragmatic outlook on handling intricate situations. Her extensive background in health and safety, construction, and accounting equips her to adeptly cater to our clients' diverse needs.
